

## Hydrangea paniculata PASTELGREEN® 'Rencolor' - Pépinières Renault

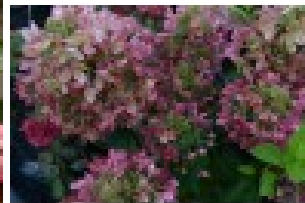

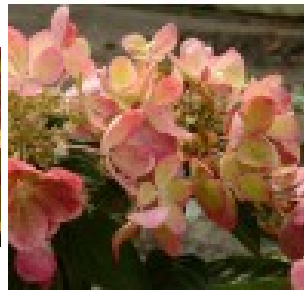

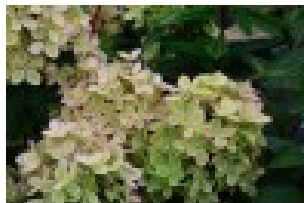

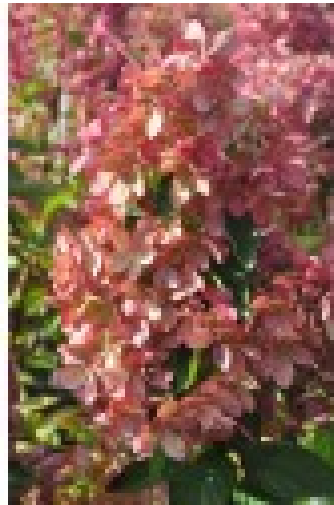

**Product** Hydrangea paniculata PASTELGREEN® 'Rencolor'

---

**Reference** 20

---

**Product Image**

**Summary**

Green knocks on your door ... and offers a harmonious range of colours

---

**Description**

The inflorescences of flowers with long pedicels are shaped like rounded cones of 15-20 cm. From mid-July, the petals change colour, get an outline, offer a harmonious mix of white, cream, pale green, pistachio green, raspberry pink ... All these tints follow one another, mix well and spread, thus offering a delicate range of from far. The habit is upright and dense. PASTELGREEN ® 'REXOLOR' adds an innovative green to SAP panicu...
